

## Keeping your plant healthy...

Worldwide Engineering are excited to announce our first class repair service: helping you to save money and extend the life of your plant's assets, including:  
**Gearboxes, Pumps and Motors.**

### Our Repair Standards

- Your equipment will be collected by us within an agreed timescale.
- The unit will be stripped, assessed free-of-charge and parts identified for replacement, refurbishment or repair.
- Our detailed report will be issued to you within 48 hours or sooner if required.
- Your repair will then be carried out and delivered back by the agreed delivery date, along with our warranty guarantee.

We're proud to have been supporting many industries with our repair service over the past ten years, including food and drink processing, water and sewage, printing, power generation, electronics, packaging and general manufacturing companies.

**For more information about our quality service, contact the company you can trust on 0141 585 9255 or email [sales@worldwideengineering.co.uk](mailto:sales@worldwideengineering.co.uk)**
